Changing:

If you arrive directly from school, you can change in the changing rooms in the basement if need be. Since they are quite small it is best if you change from home. You can leave your coat and shoes on the hangers in the basement. Walk down the stair in Billund Center's hall. You are welcome to bring your bag into the teatersal.

Food and drink:

You are a better dancer when you aren't hungry, so a small packed lunch and something to drink before class will be nice.
