Together we can

ARE YOU 12 YEARS OR OLDER AND WANT
TO SHARE YOUR PASSION WITH OTHER
YOUNG PEOPLE? THEN TALENT BILLUND
MIGHT BE FOR YOU!

At Talent Billund, it's not about being the best.
It's about becoming as good as possible together
with other young people. That's why we offer
communities that inspire and develop your
potential to the fullest.

You can participate in Talent Billund programs in
music, visual arts, and dance, where you'll receive
extra class time in your main subject. Additionally,
we organize workshops, individual guidance, and
trips to exciting experiences and events. All of this
motivates you to make an extra effort, and at the
same time, you acquire many different skills with
your Talent Billund peers.

Talent Billund is a joint initiative across culture and
sports, supported by Billund Municipality and the
Ole Kirk's Foundation. That's why there's close
collaboration between the project's actors to
create a unique environment for talent develop-
ment in the municipality.

Talent Billund supports, helps, trains, and teaches,
so that students are inspired throughout the
process.

SKOLE.**

WELCOME TO BILLUND CULTURE SCHOOL CULTURE CREATES WELL-BEING

AT BILLUND CULTURE SCHOOL, WE TEACH
CHILDREN, YOUNG PEOPLE, AND ADULTS
MUSIC, DANCE, AND VISUAL ARTS - BECAUSE
CULTURE IS HEALTHY.

Every note, every step, and every brushstroke is like
a loving hug for your soul, something you can carry
back into your everyday life.

And at Billund Culture School, we do it together.
Because when we feel safe in a positive and
committed community, we thrive.

For us, music, dance, and art are about being
human and about being supported in expressing
yourself. Whether you're a beginner or experienced,
we teach you discipline through joy, and that the
courage to fail can lead to new insights.

"We" are 25 dedicated and professional teachers.
We all love our wonderful work with children and
young people in a formative phase of life – and
adults who have discovered that culture creates
well-being.

**So come and enjoy a healthy passion
– together with us.**

ART DRAWING & DESIGN

ART, DRAWING & DESIGN

Shapes and colours for life

DO YOU LOVE EXPRESSING YOURSELF THROUGH
YOUR HANDS? ARE YOU PASSIONATE ABOUT
DRAWING, PAINTING, AND DESIGN – OR DO YOU
WANT TO GET BETTER AT IT?

At the Culture School's Art Department, it's all about
the desire to create. You'll learn techniques that
move you forward. And you can experiment with
methods and tools that give wings to your ideas. All
in a supportive environment with room for laughter
and friendships.

We teach in groups, but we also focus on each
individual. Our professional teachers place great
emphasis on creating a safe community where
everyone is welcome, and there's room to
make mistakes.

Art is also about communication. So
we regularly exhibit our works and
participate in larger decorative projects,
allowing our creative energy to spread to
others. We also organize trips and outings
for older students – for example, to
exhibitions and museums.

Are you 12 years or older? And do you
want to challenge and develop your
artistic abilities? Then you can apply for
our special classes for young people who
want to develop their talent.

MUSIC

Set the joy of music into play

GIVE YOUR CHILD OR YOURSELF A GIFT
- AND TAKE IT WITH YOU FOREVER!

With us, you don't just get lessons – you're on a fun
and developmental journey. Our team of profes-
sional teachers guides you through the world of
music, where you can enjoy your own music and
experience the thrill of collaboration.

For us, the joy of diving into music is essential,
which is why we make room for laughter, mis-
takes, and plenty of experimentation. And you
can start **no matter where** you are in life.

With 20 different instruments to choose from, as
well as opportunities for solo singing and choir,
there's something for every music lover. And of
course, we also have cozy classes for the little
ones!

MUSIC

There's something truly special about playing
together. That's why we offer orchestras, bands,
and choirs that you can join. And the best part? All
our ensemble offerings are free if you're already
taking singing or instrumental lessons with us.

In addition to our weekly classes, we also organize
both smaller concerts and larger events, such as
our beautiful Culture School Festival.
